Retail Price List of Dahlia Roots, Plants, and Rooted Cuttings.  
Spring 1944

In line with the general conservation program we are not publishing our usual Spring Catalog this year. Instead we offer this list with current Root, Plant, and Rooted Cutting Prices. However for your convenience our 1943 catalog with full descriptions of the leading Dahlia varieties is enclosed.

Shangri-La, our 1943 introduction met with wonderful success last season. In the cut Flower markets and in the show room, Shangri-La far surpassed any Dahlia of it's type. We won again with it at the American Dahlia Society Show in New York, and Mr. Roy W. Webb, of Scranton, Pa., one of the most outstanding Amateur Dahlia growers in the United States, writes us that he won at least three Blue Ribbons with Shangri-La at the Scranton Dahlia Show and finds it a wonderful keeper when cut. If you are not already growing Shangri-La, we heartily recommend your doing so. It is a positive Blue Ribbon Winner.

Large Flowering Danlias

VARIETY	ROOT	PLANTS	ROOTED CUTTINGS
